

HIV ADVANCED (YEAR 2) PHARMACY RESIDENCY

POLICY FOR RESIDENT LEAVE OF ABSENCE

The HIV Advanced (Year 2) Pharmacy Residency program follows the UHN and MUHC Human Resources department policies and procedures around leave of absences including sick/medical leave, bereavement leave, personal or family leaves of absence, jury duty, or religious observances. Extended leaves (beyond 5 days) for any reason will require a plan to make up days of residency training lost. Note that the resident stipend covers a total of \$35 000 per year and will not be extended due to extended leaves of absence from the program.
