

HIV ADVANCED (YEAR 2) PHARMACY RESIDENCY

RESIDENCY COORDINATOR/RESIDENT/DIRECTOR MIDPOINT MEETING

Purpose:

The purpose of the midpoint meeting is to formally check in on progress of the resident at the six month timeframe.

Prior to the meeting the resident will:

- Ensure learning portfolio is complete and organized
- Ensure Longitudinal Knowledge tracking form is completed
- Reflect on progress to date, including rotations completed, status of project, and results of oral midpoint exam

Prior to the meeting the coordinator/director will:

- Identify any areas of improvement as noted from completed assessments to date and the results of the midpoint oral exam
- Organize time and place for meeting

Items for review during the meeting:

- Resident reflection on progress to date including knowledge, competencies based on rotations completed and midpoint oral exam results
- Discussion of assessments to date (including longitudinal summary of rotation evaluation scores/comments via One45)
- Plans required to address any concerns identified
- Project update
- Review plan for second half of the year

Follow up:

- Rescheduling of rotations/project time if required
- Implement plan for addressing any concerns noted
