	Activity Specific Assessments: to be completed by resident & preceptors unless otherwise noted Written assessments unless otherwise noted					
	Midpoint assessment	Final assessment	Evaluation of rotation & preceptor	Preceptor self-assessment	Presentations/ Teaching Activities (if applicable)	Scholarly Activities (if applicable)
1) Rotation Assessments						
a) Clinical rotations <ul style="list-style-type: none"> • Ambulatory care – TGH (longitudinal, 5 week rotation x 2) • MUHC (longitudinal, 5 week rotation x 2) • Community pharmacy (2 weeks) • Inpatient rotation (5 weeks) • Elective rotation (4 weeks) 	Clinical rotation assessment form (a) verbal*	Clinical rotation assessment form (a)	Evaluation of the rotation & preceptor (b) (resident)	Preceptor self assessment form (c) (preceptor) <i>complete at end of rotation or end of year if >1 rotation precepted</i>	Presentation feedback form (d) (external participants – Google form; resident/preceptor - verbal) Practice-based teaching assessment form (e) (cumulative assessment at end of rotation)	Scholarly writing assessment form (f) Peer review of scientific manuscripts assessment form (g)
b) Therapeutic drug monitoring rotation (5 weeks)	TDM assessment form (h) verbal*	TDM assessment form (h)	Evaluation of the rotation & preceptor (b) (resident)	Preceptor self assessment form (c) (preceptor) <i>complete at end of rotation or end of year if >1 rotation precepted</i>	Presentation feedback form (d) (external participants-Google form; resident/preceptor - verbal) Practice-based teaching assessment form (e) (cumulative assessment at end of rotation)	Scholarly writing assessment form (f) Peer review of scientific manuscripts assessment form (g)

HIV ADVANCED (YEAR 2) PHARMACY RESIDENCY

	Baseline	Midyear	End of Year
2) Research Project		Residency project assessment form (i)	Residency project assessment form (i) Poster/oral research presentation assessment form (j) Scholarly writing assessment form (f) (residency project manuscript)
3) Longitudinal Assessments	Prior learning assessment (k) (resident)	Self reflection form (l) (resident) Due 1 week prior to the midpoint longitudinal assessment meeting	Self reflection form (l) (resident) Due 1 week prior to the final longitudinal assessment meeting
	RAC summary report (m) (resident) Due 5 business days prior to RAC meeting	RAC summary report (m) (resident) Due 5 business days prior to RAC meeting	RAC summary report (m) (resident) Due 5 business days prior to RAC meeting
		Oral exam assessment form (n) (resident, program coordinators)	Oral exam assessment form (n) (resident, program coordinators)
4) Summative residency program assessments (resident)			Summative Evaluation of Residency Program by Resident (o) (resident)

* The preceptor & resident shall complete a written midpoint assessment during all rotations if the resident is presenting difficulties meeting the competencies and the successful completion of the rotation is uncertain. Otherwise, a verbal assessment is sufficient at the midpoint of the rotation. The project preceptor and resident will complete a written mid-year and final assessment (after receiving the final version of the project manuscript) of the resident.

HIV ADVANCED (YEAR 2) PHARMACY RESIDENCY

Assessment forms to use (see residency manual for forms):

- a. Clinical rotations (including community pharmacy): [Clinical Rotation Resident Assessment Form](#)
- b. Evaluation of rotation & preceptor by resident: [Resident Evaluation of the Rotation and Preceptor](#)
- c. Preceptor self-reflection form: [Preceptor Self Reflection Form](#)
- d. Presentations: [Presentation Feedback Form](#) (Google Form)
- e. Presentations/Teaching activities: [Practice-based Teaching Assessment Form](#)
- f. Scholarly writing: [Scholarly Writing Assessment Form](#)
- g. Peer review of scientific manuscript: [Peer Review of Scientific Manuscript Assessment Form](#)
- h. Therapeutic drug monitoring rotation: [Therapeutic Drug Monitoring – Resident Assessment Form](#)
- i. Research project: [Residency Project Assessment Form](#)
- j. Poster/oral research presentation: [Poster presentation/oral research presentation assessment form](#)
- k. Baseline assessment of knowledge and competencies by resident: [Prior Learning Assessment](#)
- l. Longitudinal self-reflection: [Self-reflection form](#)
- m. RAC summary report : [Residency Advisory Committee Summary Report](#)
- n. Oral exam: [Oral exam assessment form](#)
- o. Evaluation of residency program, coordinators and directors by resident: [Summative Evaluation of Residency Program by Resident](#)
